PUBLIC CONSULTATION ON NEW PROPOSALS FOR 36-46 ALBERT EMBANKMENT SE1 7TL

Ocubis on behalf of the site owner Hotchkiss, invite you to participate in a public consultation on new proposals for the redevelopment of 36-46 Albert Embankment.

The revised proposals for the site, currently occupied by the Texaco petrol filling station and flexible office space in Vintage House, will comprise a hotel-led development consisting of two towers with the refurbishment and extension of Vintage House.

We had hoped to hold a face to face Public Exhibition at the end of January. However, Lambeth Council recently announced that it has one of the highest rates of new cases of Covid-19 in the country, with rates that are incredibly high and extremely worrying. We have therefore made the decision to undertake our consultation digitally via live webinars and our website. Details of our webinars are overleaf.

WE VALUE YOUR FEEDBACK

All the comments and suggestions we receive will be considered by the project team and will help to shape the final proposals ahead of submitting our planning application to Lambeth Council.
